

**SIERRA LUTHERAN HIGH SCHOOL
CHAPERONE AND TRANSPORTATION INFORMATION**

From time to time parents are asked to provide supervision and transportation for school activities. Parents who are involved in these services are sincerely appreciated, but must remember that they share responsibility for supervision and therefore need to make careful decisions. It is the school's obligation to have evidence of proper license and insurance.

When transporting children you must have a valid license and liability auto insurance with minimal \$100,000/\$300,000 limits. Although the school does have a blanket liability policy, in the event of an accident the driver would share responsibility and therefore liability. In all cases the driver or chaperone must be sure the students follow safe and proper procedures. When in doubt seek direction from the appropriate teacher or administrator.

Parents transporting children in private vehicles assume primary responsibility for the safety of those children while riding in the car. Parents transporting children must provide the following information to Sierra Lutheran High School:

1. Driver's License Number _____ Expiration Date _____
2. Insurance Company _____
3. Policy Number _____
