

GOD is giving you the opportunity to make an eternal impact in the lives of HIS CHILDREN!

# *Providing Students*

  
**Sierra Lutheran High School**

*Preparing students for today,  
tomorrow and ETERNITY.*

Some parents desire to enroll their children in Sierra Lutheran High School, yet are unable to afford the entire cost of tuition. The goal of this program is to provide tuition assistance to these families and ensure that all who seek a Christ-centered education have that opportunity here at Sierra Lutheran High School.

The teenage years are critically important as young adults grow spiritually and in their personal relationship with the Lord Jesus Christ.

Please pray about how God might use you to make an *ETERNAL* difference in the lives of His children by equipping them with the "Whole Armor of God."

The 2010 SLHS volleyball team is joined by the Excel Christian volleyball team as they prayed prior to their game.

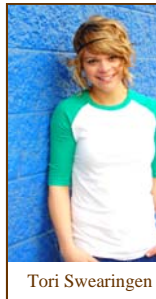

*"These commandments that I give to you today are to be upon your hearts. Impress them on your children."*

**Deuteronomy 6:6**

## Providing Students the Whole Armor of God

In a typical school year, Sierra Lutheran High School awards tuition assistance to two in every five students/families. Two annual school fundraisers, the dinner/auction and a golf tournament, generate revenue to help meet the needs of parents who request financial aid. Significant enrollment growth, however, creates increased need to find additional support for all who seek a Christ-centered secondary education.

Tori Swearingen

## Armor of God Spotlight

Tori, had been a recipient of tuition assistance throughout her four years at SLHS. In response, she gave generously of her time and talents. Tori actively participated in the Applied Christianity class, providing leadership for school chapel services, represented her school in inter-scholastic athletics, served as a role model in the work/study grant program, and earned honor roll grades. Tori graduated from SLHS with Honors in 2009 and enrolled at a Bible College in southern California. She recently returned to SLHS to lead a chapel service.

I want to partner with Sierra Lutheran in preparing students for today, tomorrow, and *ETERNITY*.
