

Sierra Lutheran High School

Student of the Month

For September 2011

Luke Barulich

As we are quickly making our way through the first quarter of the 2011/2012 school year, we want to acknowledge just one of the many students who have started off the year strong. Our September Student of the Month is Luke Barulich. Luke has attended SLHS for the past three years and has become a blessing to the students and faculty. If you were to ask anyone who knows Luke, I believe you would hear that Luke is a kind, hard-working, happy, and respectful student. Luke is always attentive in class and ready to be involved in discussion. A few mornings a week Luke can be found at school, even before the teachers arrive, to start his day with a morning run in preparation for cross-country. Besides cross-country, Luke is involved with the golf team, and enjoys spending time in the Lord's creation hunting. More than anything, he is not afraid to share his faith with everyone around him. We pray that our Lord continues to bless Luke, use him as a light to bless those around him, and that Luke continues to live out and pursue the words in Psalm 119.
