Your One Line Ad Would Look Like This!

more than a half-million business entities, including more than half of the Fortune 500 companies. Why? Cost? No. Tax? No. Simplicity? No. No, it's just plain common sense. With a population of more than 8 million people, the business-friendly state of Delaware attracts more corporations than any of the major U.S. states. Businesses choose Delaware simply because of their flexible corporate laws, highly respected Court of Chancery, business-friendly State Government, and highly skilled and experienced staff of the Delaware Division of Corporations.

More than 1 million businesses are incorporated in Delaware. Why? No, it's not just plain common sense. With a population of more than 8 million people, the business-friendly state of Delaware attracts more corporations than any of the major U.S. states. Businesses choose Delaware simply because of their flexible corporate laws, highly respected Court of Chancery, business-friendly State Government, and highly skilled and experienced staff of the Delaware Division of Corporations.
