Seniors!

You are so close to completing your high school careers – keep persevering and glorifying God in all that you do. We pray that God has richly blessed your time at SLHS and our hearts are joyous as we see our senior Falcons take flight toward their next step in life. At the end of the year, we frequently get requests from newspapers and the like for summaries of our senior's plans; I would like to get permission from you and your parents to give that information out. We appreciate you taking the time to fill out this form.

May God richly bless you as you bless others!

Jenny Cochran
